

A wide-angle photograph of the United States Capitol building in Washington, D.C., taken at sunset. The building's iconic dome and neoclassical architecture are illuminated by the warm, golden light of the setting sun. The sky is filled with soft, orange and pink clouds. In the foreground, a large, rectangular reflecting pool mirrors the building and the sky, creating a symmetrical effect. The water in the pool is calm, with only slight ripples visible.

ACADEMIC YEAR 2022-2023

# THE 2022-2023 FULBRIGHT STUDENT AWARD

FOR MASTER'S STUDY OR RESEARCH IN THE UNITED STATES

Application  
deadline:

May 10, 2021
