Virtual Machine Assignment Request Form from the Research Laboratory of Nonlinear Analysis Models
and Applications DataRoom

Name.....

Surname.....

Didactic degree

Faculty.....

Department

Research contract

Brief description of the virtual machine purpose

.....
.....
.....
.....
.....

Computing power and Storage required

Number of Cores

RAM Memory

Storage Capacity

Time frame -

By this I take responsibility that I fully agree with the rules of use of the computing capacity / storage and they will be used only for the stated purpose.

Date.....

Signature,
